

Style FLOW

PRESENT THE PERFECT HOME TO SECURE THAT EXCEPTIONAL SALE.

Styled homes secure higher sale prices and sell faster, however upfront costs during an expensive process can be daunting.

Fortunately, with Style Flow's multiple payment options, you can now choose how you want to pay, in a way that's convenient for you. And your Agent can secure a great price for your perfectly presented home.

Having the choice makes styling an investment that contributes to your sale, not a cost you need to fund before anything begins.

With Style Flow, you get access to revolutionary options for your styling expenses, as you can choose not only when and how you pay, but if you pay:

- **Pay Upfront** is a quick and easy way for you to pay your styling expenses upfront.
- **Pay Later** is a fast and convenient way to delay paying your styling expenses until your property sells.
- **Pay On Success** removes the stress of styling a property for sale as these expenses are only paid when you sell your property. This means that if your property doesn't sell, you don't have to repay your styling expenses.
